

WMD Radiological/Nuclear Awareness Train-The-Trainer (AWR-141)

This WMD Radiological/Nuclear Train-the-Trainer course will be delivered throughout the nation to jurisdictions approved by DHS/Grants & Training and the Centralized Scheduling and Information Desk.

Course Description:

This course is designed to prepare trainers to deliver a six-hour Radiation Awareness Course, using a prepared lesson plan. Each student will have an opportunity to learn the basics of platform presentation and classroom discussion and will present a portion of the Radiation Awareness Course as part of their training.

Course Length:

Nine (9) hours

Prerequisite:

Attendees must be instructor-qualified (National Fire Protection Association or equivalent).

Target Audience:

All persons responsible for the training of:

- Law Enforcement
- Emergency Medical Services
- Emergency Management Agency
- Fire Service
- Hazardous Materials (HazMat)
- Public Works
- Governmental Administrative
- Public Safety Communications
- Health Care
- Public Health
- Other skilled support personnel that provide immediate support services during prevention, response, and recovery operations.

Certificate:

Certificate of Completion is issued upon successful completion of the course.

Eligibility:

It is the responsibility of the jurisdiction to select course participants.

Course Delivery:

Classroom training is delivered at the designated students' location.

Cost:

All training and course materials are free to eligible jurisdictions.

Enrollment Information:

In order to attend a training class delivered by one of the DHS/Grants & Training partners, a request must be provided to the designated DHS state administrative agent (SAA) training point of contact. For the Training POC in your area, contact the DHS/G&T Help Line at: 800-368-6498.
